

Rock Bridge Animal Hospital 7th Annual Pet Luau

On May 4th 2013, the Rock Bridge Animal Hospital Staff celebrated our 7th annual pet luau with food and festivities. The annual luau is a fun event that our hospital puts together every May for our clients and their furry friends and family. Throughout the afternoon we coordinate activities for our clients and their canines. The activities we arranged for this year's luau included musical mats, dress-up relay and pineapple

bowling. There was also a bobbing pool for those who enjoy bobbing for hotdogs. Snacks were provided as well as a themed photograph frame for you to take home.

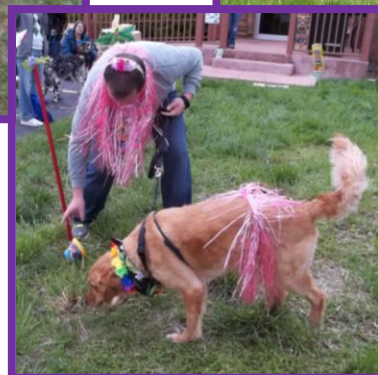

This year's events provided us with many laughs and were very entertaining. The favorite event of the day was the dress-up relay. The first place winner of this event was Rosco, followed by Dexter and Pupcake.

Musical Mats is one of our yearly events, the winner of this year's contest was Rufus, followed by Edelweiss and tied for third place were Lilly and Kelly.

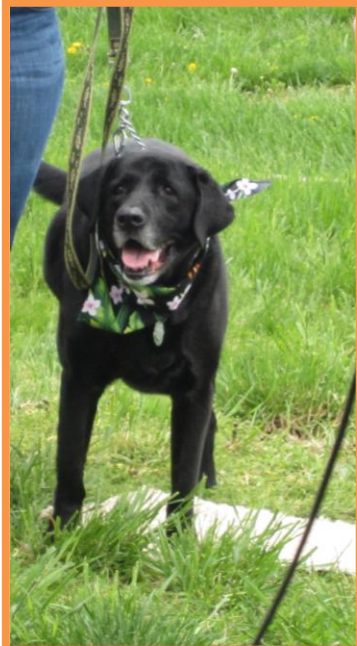

The Pineapple Bowling winner was Dublin and Sharptooth came in second.

We are very thankful to all of the participants for coming out and enjoying the day with us, as well as all of our representatives who donated products and supplies for the day's events.
